Certificate of Understanding and Express Assumption of Risk

Please complete the following details in CAPITAL letters – Thank you.

Please read carefully. This is a statement in which you are informed of the risks of skin and scuba diving. The statement also sets out the circumstances in which you participate in the diving course at your own risk. Your signature on this statement is required as proof that you have received and read this statement. It is important that you read the contents of this statement before signing it. If you do not understand anything contained in this statement, please discuss it with your instructor. If you are a minor, this form must also be signed by a parent or guardian.

Warning: Skin and scuba diving have inherent risks which may result in serious injury or death. Diving with compressed air involves certain inherent risks; decompression sickness, embolism or other hyperbaric injury can occur that require treatment in a recompression chamber. Skin and scuba diving are physically strenuous activities and you will be exerting yourself during this diving course. You must advise truthfully and fully inform the instructor and the facility through which this training is offered of your medical history.

Neither the instructor, the facility through which this training is offered, Andark Diving, PADI International Ltd, or International PADI Inc. accept any responsibility for any death, injury or other loss suffered or caused by you or resulting from your own conduct or any matter or condition under your control which amounts to your own contributory negligence. In the absence of any negligence or other breach of duty by the instructor, the facility through which this training is offered, Andark Diving, PADI International Ltd, and the International PADI Inc., your participation in this diving course is entirely at your own risk.

Data Protection

Your details will be held and used by Andark and PADI to administer your registration and give you occ	asional
special offers and promotion course rates. Your details will not be passed on to any third parties. We	may
use any photos taken to promote these evenings via social media, if you would prefer not to be include these photos, please tick this box	ed in
The information I have provided about the medical history is accurate to the best of my knowledge:
